

DIRECTIONS TO LOWERFIELD HOUSE

For Satnav systems use the postcode EX17 6PU. Some systems try to take you too far up the hill. If approaching from the main A377 (Crediton to Barnstaple), after turning off the main road towards Lapford village, you will go over two bridges crossing the river and railway. Lapford Mill will be seen immediately to the right and the driveway to Lowerfield House is immediately after the mill. If approaching from the north or the M5, drive right through the village to the bottom of the hill where the driveway will be seen on the left hand side just before the bridges over the river and railway.

The cross-country route from the M5 (North) is significantly quicker than following the A roads through Bickleigh and Crediton.

After leaving the motorway at the Tiverton Junction initially follow the signs to Tiverton then:
